Pedigree For:
LUCKY HONEY BEAR
AKC DL68759115 (08-99)
ASCA E96433

LUCKY HONEY BEAR AKC DL68759115 (08-99),
ASCA E96433

The pedigree chart consists of a single horizontal box on the left containing the name and registration numbers of the dog. A vertical line extends from the center of this box to the right, where it meets a horizontal line. From this junction, two vertical lines extend upwards and two extend downwards, each meeting a horizontal line. This structure represents a single individual with no offspring.
