Pedigree For:  
TOPNOTCH THUMPER L D  
AKC DL55902501 (04-95)

TOPNOTCH THUMPER L D AKC DL55902501 (04-95)

The pedigree chart is a horizontal tree diagram. The root node on the left is a rectangle labeled 'TOPNOTCH THUMPER L D AKC DL55902501 (04-95)'. A vertical line extends from the right side of this root node. This vertical line meets a horizontal line that branches into two paths. The upper path leads to a large rectangular box, which then branches into two smaller rectangular boxes. The lower path leads to another large rectangular box, which also branches into two smaller rectangular boxes. Each of these four boxes then branches into two more boxes, resulting in a total of 16 boxes at the final level of the pedigree. All boxes are empty, indicating that the pedigree information is not yet populated.
